

### Our 'Local'

As we no longer have a pub in Hawstead, many of us have adopted the Red House at Stanningfield as our 'Local'. The Red House is a privately owned traditional English pub - a free house, serving a range of real ales and good pub grub. It has an enclosed garden and Pauline, it's super landlady, welcomes children until 9pm and dogs on leads. Quite a few Hawstead residents meet there on Friday evenings at around 6pm. We are usually the noisiest group in the corner. We would love to meet you - do come and join us.

### Welcome to Hawstead

On behalf of Hawstead Community Council, Hawstead Parish Council and the people of Hawstead, we are pleased to welcome you to our village.

It can be difficult during the busy days of moving home and settling in to find out about the area, local facilities and events, so we have put together this welcome pack. It includes information about the village and the surrounding area which we hope you will find helpful. You will soon learn that there is plenty to do and see, both in the village and in Bury St Edmunds.

We hope you find this information useful.

A village is created by the people who live in it, so please do get in touch. We are looking forward to meeting you and your family and getting to know you.

Simon Miller

Chair, Hawstead Community Council

## About the Village

Hawstead, set in the gently undulating Suffolk countryside, is mentioned in the Domesday book of 1086 and was first settled by Anglo-Saxons in the mid 5th or 6th centuries.

The parish occupies an area of approximately 2,300 acres, 3 miles north to south by 1.5 miles east to west. It is not a compact village but rather a cluster of small hamlets, each with its own name and character. These include Pinford End and The Pound, Wepstead Road, Lawshall Road and The Green.

Hawstead has approximately 380 residents in 127 households. Although a small village, there are a number of buildings of note including the beautiful and ancient All Saints church, a Victorian former school house, the Philip Metcalfe Almshouses built in 1811, the Gild Hall built in 1478, now a private dwelling and the Metcalfe Arms, a public house as long ago as 1855. The pub has recently become a cycle shop and café.

Between the 15th and 17th centuries the Drury family, of London's Drury Lane fame, lived at Hawstead Place. Unfortunately little more than the surrounding moat and a series of fish ponds remain.

Hawstead is set in a rolling agricultural landscape - across which the River Lark and a tributary brook meander. Most of the land is farmed by the Brown family, who grow the usual East Anglian crops of wheat, barley, sugar beet and oilseed rape.

There are several areas of woodland in the village and a wealth of open spaces. These include four village greens, the most significant of which, Great Green, is one of the largest and finest areas of undeveloped flower-rich grassland in Suffolk.

Although it has special environmental status, Great Green is for villagers to enjoy. There are mown paths, benches, swings, a play area for younger children and a mown area with a goalpost, where older children can play ball games. Walkers and their dogs are welcome, with dog bins provided at intervals.

The other greens in Hawstead are Pound Green to the north, Bull Green at Pinford End and Brook Green across the bridge to the east of Great Green. This last is almost completely covered by trees and shrubs.

A pocket of former Glebe land adjacent to the church, known as the Millennium Field, provides a quiet place for contemplation. It has a picnic table and space for children to run and play.

There are several footpaths in the village including the Market Path which links the village green to The Pound and 'The Cranks' which strikes off from the rear of the churchyard towards the River Lark and then to Pinford End.

There are footpath maps on the notice boards at the village hall and at The Pound.

## Hawstead Parish Council

The Parish Council, which has seven members, meets every two months in the village hall. Parish Councillors serve for a four year term. At the end of that period, if more than seven people wish to stand, there will be an election. If less than seven apply then the remaining councillors will consider co-opting one or more parishioners.

Each May there is both an Annual Parish Council Meeting where Councillors elect their chair and vice chair and the Annual Parish Meeting where reports on the year are given by the Community Council, the village History Recorder and others.

Meeting dates, together with copies of the Agenda and the Minutes, are posted on the three Parish Council notice boards. These are located outside the village hall, at The Pound and at Pinford End. These documents are also emailed to those on the village email list mentioned earlier and are posted on the Parish Council website [www.hawstead-parish-council.co.uk](http://www.hawstead-parish-council.co.uk).

Villagers are encouraged to attend meetings, to listen to discussions and keep themselves informed about village matters. Each meeting begins at 7.30pm with a public forum to enable villagers to express their views, raise issues that are troubling them and/or question our Parish Councillors.

## Events in Hawstead

Hawstead Community Council organises a number of events throughout the year. Regular events include an annual fete, a Christmas lunch, craft workshops, an Easter egg hunt for children. Occasional events include a summer barbeque, a pop-up restaurant, quiz nights, open gardens, plant sales, art exhibitions, a Christmas fayre and a visit to the pantomime.

As well as those organised by the Community Council, there are regular events arranged by villagers, including a fitness class, bowls club, wine tasting club and bible reading group. Villagers are encouraged to use the village hall for their own events and private parties.

Details of other events this year are included in this pack and are advertised in the Hawstead Journal and on the village website. They can be booked online at [www.hawsteadvillagehall.co.uk](http://www.hawsteadvillagehall.co.uk) and through the Community Council's Emma Hatton Tel. 0284 386515.

In recent years Hawstead has held two open gardens events and will be holding another next year. They have proved to be an immensely enjoyable event for both the visitors and the garden hosts. Our next open gardens event is on Sunday 12th June 2016. Plenty of time to get your gardens into shape. The money raised goes to charity.

If you are interested in opening your garden next year, please contact Geraldine West Tel. 01284 388732 email [geraldinewest@waitrose.com](mailto:geraldinewest@waitrose.com).

## Regular events organised by villagers

### Carpet Bowls

There has been a carpet bowls club in Hawstead since the 1970's. Carpet bowls is a very social sport and we thoroughly enjoy our evenings. There are usually about ten of us, playing fourteen ends with a very welcome coffee break after the first seven. Once a month the village team plays a friendly match against one of the neighbouring village teams. We welcome new members. You do not have to be able to play – we will gladly teach you. We meet on Tuesday evenings at 7.30 pm. For more details contact Rosemary Harrison on 01284 386157.

### Breathe Easy

Breathe Easy combines Tai Chi, Yoga and Pilates. It aims to restore a sense of balance in our lives, helping our minds as well as our bodies to function effectively. Sam Reid our instructor has been teaching for over 25 years and loves delivering these positive classes. Just bring an exercise mat and wear comfortable clothing. All ages and abilities are warmly welcomed.

Classes are held weekly on Tuesday mornings between 9.15 and 10.15. They cost £5. Call Sam on 07850 207365 email [sam@yourfitness.net](mailto:sam@yourfitness.net) for further details.

### Reading Group

Hawstead's Reading Group was set up at the beginning of 2011. Our meetings are fun and informal. We take it in turns to host the meetings which are held in members' homes and to choose the next book. The reading group encourages us to read books which we would not perhaps have chosen for ourselves, thereby discovering new authors and new genres. The Reading Group meets on the first Wednesday of every month. If you would like more information please contact Ann Gibbs on 01284 765332 email [nwgibbs@globalnet.co.uk](mailto:nwgibbs@globalnet.co.uk).

## HATS

HATS has been meeting monthly in Hawstead since late 2010. Our aim is to introduce our members to different wines. Without this monthly opportunity to sample many of us would stick to the few we know and like. Members take it in turns to give a presentation on a variety of wine related topics. This could be a grape variety, a country of origin or even a selection of visually pleasing labels! Occasionally we welcome a guest to widen our horizons. Cheese, biscuits and other nibbles are available during the tasting sessions. We have a fun, informative evenings that are not in the least bit 'stuffy'.

We meet in the village hall on the last Thursday of each month at 8pm. Our numbers have now swelled to 18, but more are always welcome. If you would like to join our journey please contact Judy Carter on 01284 386512 or [judy@mmsgd.co.uk](mailto:judy@mmsgd.co.uk).

### Macmillan Coffee Morning

This event is held in September each year and raises a great deal of money for this worthy cause. As well as tea and cake, there is a raffle, book and plant stalls and a tombola. Volunteer cake-makers and tea-servers are always welcome. Please contact Joyce Dainty Tel. 01284 386314, if you would like to be involved.

## Hawstead Community Council

Everyone who lives in the village is considered to be a member of Hawstead Community Council, which was formed in January 1971 and is a registered charity.
