Making the community safer

Following reports of 3 robberies in the Mill Rd area of Haverhill, officers from the team have been on foot patrol for reassurance and also in the hope of trying to identify the suspect. At the time of typing no one has been arrested in relation to any of these offences and enquiries continue.

If you wish to discuss making yourselves safer officers are happy to be approached and will advise. A couple of pointers to assist - do not have your purse/wallet visible in bags; if carrying a handbag try to have it across your chest and keep your hand over the fastening; avoid short cuts and stay on roads that are well lit and relatively busy, and beware of your surroundings and if followed go into a shop and stay there until you're safe.

Preventing, reducing and solving crime and ASB

Op Barnstaple which was the investigation involving youths causing ASB with racial undertones at the Chinese takeaway in Leiston Rd Haverhill has now been finalised after a number of youths were subject to Restorative Justice by our partners at the Youth Offending Team.

There were 3 daytime burglaries on 6th Feb in Haverhill which are being linked. Up to 3 suspects seen approaching one of the properties alighting from a grey coloured saloon vehicle. CID officers are currently investigating.

Taking a few steps can make a big difference in keeping your home safe from burglary -
-Lock your doors and windows every time you leave the house, even when you're just in the garden
-Leave radios or lights in your house on a timer to make the property appear occupied
-Ensure side gates are locked to prevent access to the rear of the property where many burglaries occur
-Install a visual burglar alarm
-Store valuable items out of view, preferably in safe, or just hidden.
